## SUMMARY

Fresh Informatics graduate with a GPA of 3.83 and hands-on experience in technology projects, project coordination, business development, and team leadership. Currently developing a warehouse automation prototype for a hackathon as a Technology & Digitalization Intern at United Tractors. Proven ability to learn quickly and deliver results through co-founding an edtech platform serving 200+ participants, leading a 95-member HRD bureau, and teaching coding to 205 students across two institutions. Strong analytical thinking, adaptability, communication, and problem-solving skills.

## EDUCATION

**Gunadarma University**, Depok, West Java — *Graduated September 2025*

***Bachelor of Informatics (Computer Science)***
GPA: 3.83/4.00

## WORK EXPERIENCE

**United Tractors**, Indonesia — *Aug 2026 – Present*
***Technology & Digitalization Intern***
- Developed a desktop warehouse automation prototype for a hackathon using Python, Tkinter, SQLite, OpenCV, and QR code technology.
- Automated inventory checking through batch and rack-location management, QR label generation, camera-based scanning, aging-status monitoring, and session tracking.
- Built an operational dashboard with a rack map and priority checks, plus Excel and PDF reporting for inventory and inspection results.

**Yayasan Islam Al-Hamidiyah**, Depok, West Java — *Dec 2025 – Aug 2026*
***Coding Mentor***
- Designed structured coding modules and lesson plans aligned with the curriculum.
- Delivered coding instruction to 175 students across 7 classes using adaptive and practice-based teaching approaches.
- Managed attendance, grade documentation, progress reporting, and competency evaluation for 175 students.

**Erlass Akademi**, South Jakarta — *Feb 2026 – Present*
***Freelance Coding Mentor***
- Teach Scratch-based programming to 30 students using structured learning modules.
- Design evaluation instruments and prepare periodic progress reports for all students.
- Guide students in completing more than 10 independent projects.

**Neotic.id**, Indonesia — *Feb 2023 – Present*
***Co-Founder & Project Manager***
- Co-founded an edtech platform focused on accessible technology education.
- Developed and delivered three technology courses covering Figma, JavaScript, Excel, and Python.
- Reached 200+ participants across all courses.
- Lead end-to-end project development, including planning, system design, task delegation, and launch execution.

**Integrated Laboratory, Gunadarma University**, Depok, West Java — *Dec 2023 – Dec 2025*
***Laboratory Assistant | Developer***
- Supported the development of practicum modules and learning activities serving 1,000+ students.
- Prepared assessment materials and guided students during practicum sessions and discussion forums.
- Monitored practicum implementation to support compliance with laboratory standards.

**School of Artificial Intelligence**, Depok, West Java — *Sep 2025 – Dec 2025*
***Business Development Intern***
- Supported business development strategies to expand market reach.
- Identified and engaged potential institutional partners to support business growth.
- Developed a structured product execution roadmap from planning through launch.

## ORGANIZATIONAL EXPERIENCE

**Badan Eksekutif Mahasiswa Universitas Gunadarma**, Depok, West Java *Jul 2023 – Sep 2025*
***Leader of Human Resource Development***

- Led the Human Resource Development Bureau with 95 members and managed development, engagement, and evaluation programs.
- Designed and managed the Ruang Ekspresi event, exceeding its participant target.
- Served as Field Coordinator for PKKMB, coordinating 214 committee members and supporting 1,430 new students.
- Increased member engagement through personal development programs and regular evaluation.

## ACHIEVEMENTS

Runner-Up, Liga Coding for Beginners — Skilvul *2022*
Best Staff, BEM FTI UG — BEM FTI, Gunadarma University *2023*
Best Leader, BEM FTI UG — BEM FTI, Gunadarma University *2024*
Top 10 Finalist, Education Business Competition — Marvin Foundation *2024*
Best Executive Board Member — BEM FTI, Gunadarma University *2025*
Speaker, AI for Growth *2025*

## COURSES & CERTIFICATIONS

Data Analyst with Python — Bisa.ai *2022*
Intermediate SQL — Gunadarma University *2024*

## SKILLS (HARD & SOFT)

### HARD SKILLS

- Project Management: project planning, task coordination, progress monitoring, reporting, and documentation
- Data & Technology: Python, SQL, SQLite, Oracle, OpenCV, Tkinter, JavaScript, React.js, HTML, CSS, and QR code systems
- Productivity & Collaboration Tools: Microsoft Excel, PowerPoint, Word, Teams, Google Sheets, Notion, FigJam, GitHub, and Adobe

### SOFT SKILLS

- Leadership and Team Management
- Communication and Public Speaking
- Analytical Thinking, Problem Solving, and Time Management
- Fast Learning and Adaptability

### LANGUAGES

- Bahasa Indonesia (Native)
- English (Intermediate)
